

## ST MARY'S CONCORD – 22 March, 2020

### COVID-19 PANDEMIC

St Mary's Parish is following the health advice that is being provided by the Government and Church authorities.

Currently parish Masses are still being celebrated. However, the elderly and those who have concerns about their health may be better to avoid crowds. **The Archbishop has granted to all Catholics in Sydney a dispensation from the usual obligation to participate in Sunday Mass.**

Those who are unwell are asked to follow the recommended practice and avoid coming to Mass until they are well.

The recent government decision to restrict any indoor event to 100 people will mean that only 100 people will be permitted to enter the church for any Mass or other celebration.

Once we reach that number the church doors will be closed. Others will be able to participate from the Church Forecourt via the outside speakers. Please also keep the recommended distance (1.5m) from each other.

Some parish events, such as the Lenten Group and the monthly morning tea, have been suspended. The **Gift of Bread** program, the **Playgroup** and the **Children's Liturgy** on Sunday have also been suspended.

The Archdiocese of Sydney has postponed all celebrations of **Confirmation** until at least September. No dates are available for future celebrations of Confirmation.

**PARISH COLLECTIONS AT MASSES:** Those assisting the wardens at Masses are asked to collect from both ends of the pews so that it is not necessary to pass the plate from person to person. For your convenience **Tap and Go stations** are now available at the doors of the church. Tap once to donate \$5; tap twice to donate \$10. Please note that receipts cannot be issued for donations and the transactions cannot be reversed.

## HEALTH ADVICE FOR ALL MASSES AT ST MARY'S CONCORD

The following recommendations are based on advice from national health authorities:

- Attendance at any Mass is restricted to 100 people; once that number is reached the doors of the church will be closed. Please note there are **external speakers** in the Church Forecourt.
- People in the church or outside are asked to keep an appropriate "social distance" from others.
- Individuals should consider their own health, including any potential to infect others with a contagious disease, before attending a Mass.
- The faithful who are too unwell to attend Sunday Mass or are at particular risk of contracting the COVID-19 virus **are not obliged to attend Mass.**
- When exchanging the **Sign of Peace**, individuals should avoid shaking hands but say "Peace be with you" and offer a smile, wave, nod or bow.
- **Holy Communion:** The coronavirus is easily spread through saliva. It is therefore necessary that the **Body of Christ only be administered in the hand.** Ministers of Communion should seek to avoid contact with the communicant's hands.
- Holy Communion will also be distributed at all Masses to any people who have gathered in the Church Forecourt and wish to receive.

### THE GOSPEL OF JOHN IN LENT (Part 2)

Last Sunday we recalled that three of the great stories from John's Gospel have been read in Lent from the earliest centuries. Each story explores an aspect of a central theme of John's Gospel: how do people come to believe in Jesus?

The first story, read last Sunday, was about an encounter between Jesus and a Samaritan woman at Jacob's well. This Sunday we hear about an encounter between Jesus and a man who had been born blind (John 9).

Like the encounter with the woman at the well, this story unfolds in stages. The basic story seems to be a simple healing miracle. Jesus and the disciples come across a man who had been blind from birth. Jesus uses his saliva to make mud and then anoints the man's eyes. He then tells him to go and wash in the pool of Siloam. The washing is clearly a symbol of Baptism. The man washes his eyes and is able to see. In the Gospels physical sight is often a metaphor for seeing with the eyes of faith.

But the journey of Faith for the man is not an easy one. The pharisees question him and even question his parents.

The man declares that Jesus is from God and is then driven out of the community. When Jesus seeks him out, he asks him, "Do you believe in the Son of Man?"

Finally, the man declares, "Lord, I believe." The story ends with some pharisees declaring "Surely, we are not blind, are we?"

**PROJECT COMPASSION:** Tawonga is a 10-year-old girl, living with a disability. She lives in a village in northern Malawi in a region plagued by food insecurity and poverty. For most of her life, her parents have struggled to put meals on the table. Tawonga often had to miss school because she was too sick from hunger. The family also faced discrimination in their community due to her disability. Since participating in a Caritas Australia supported program, Tawonga's life has transformed. Her family now grows enough food to provide three meals a day, ending the struggle of malnutrition, and helping her thrive at school. **Let's Go Further, Together.** You can donate through Parish boxes and envelopes by visiting [www.caritas.org.au/projectcompassion](http://www.caritas.org.au/projectcompassion) or phoning 1800 024 413.
