The Season of Creation

The *Season of Creation*, originally launched by the Orthodox Patriarch of Constantinople in 1989, has been progressively joined by other Christian churches, with Pope Francis announcing the Roman Catholic Church's participation in 2016.

The *Season of Creation* is a time to renew our relationship with our Creator and all creation through repenting, repairing, and rejoicing together. During the *Season of Creation*, we join our sisters and brothers in the ecumenical family in prayer and action for our common home.

"We open the Season of Creation on September 1, Creation Day, and we end on October 4, the Feast of St. Francis of Assisi."

- Cardinal Tagle

Let's pray:
www.SeasonOfCreation.info

This year, amid crises that have shaken our world, we're awakened to the urgent need to heal our relationships with creation and each other. During the season this year, we enter a time of restoration and hope, a jubilee for our Earth, that requires radically new ways of living with creation.

The *Season of Creation* unites the world's 2.2 billion Christians around one shared purpose. With so much injustice all around us, now is the time for Christians everywhere to come together and show the world how to love each other and creation.

Modern Slavery Act 2018

Archbishop Anthony Fisher OP is encouraging people to sign an ePetition calling on the Premier and the NSW Government to take immediate steps to proclaim the state's Modern Slavery Act 2018.

Despite this law having passed parliament over two years ago, it still has not been brought into law, thanks to stalling tactics which have failed some of our state's most vulnerable citizens.

Please note the closing date for this ePetition is 1 September 2020.

You'll find a link to the petition at: <https://www.parliament.nsw.gov.au/la/pages/epeti-tions-list.aspx>.

With the securing of 20,000 or more e-signatures, a debate on the subject of the ePetition will be activated in the Legislative Assembly.

SOCIAL JUSTICE STATEMENT 2020-21

The ACBC Office for Social Justice have released the Social Justice Statement for 2020-21, entitled *To Live Life to the Full: Mental Health in Australia Today*.

This year's Statement encourages faith communities, governments, and each one of us to make mental health a priority. It is a timely message in a year where we have experienced bushfires, floods and the pandemic. The COVID-19 pandemic has also influenced the way in which the Statement and associated materials are being distributed this year.

Given that face-to-face gatherings are restricted, demand for physical copies of the statement has been difficult to predict. Therefore **the Social Justice Statement and prayer card for 2020-21 have been made available online as free downloads**. To download your copies now, please visit <https://socialjustice.catholic.org.au> or visit the ACBC online shop at <https://www.catholic.org.au/shop/acbc-shop>

Files suitable for a commercial printer are also available on request. Please email publications.socialjustice@catholic.org.au if you are interested.

Please note that from this year, the date for Social Justice Sunday has shifted to the last Sunday in August. Consequently, Social Justice Sunday will this year be celebrated on 30 August 2020.

SHOULD YOU WEAR A MASK IN CHURCH?

In view of the current spike in cases of COVID-19 including those in and around Catholic institutions and the fact that any of us might be infected and contagious without knowing it, the Archdiocese recommends that extra precautions should be taken to keep ourselves and each other safe.

Health authorities recommend use of a mask in situations where social distancing is difficult, e.g. on public transport and at religious gatherings. The Premier has asked (but not yet required) that churchgoers wear masks at church.

The present position of the Archdiocese is that in addition to all requirements around social distancing and hand hygiene, parishioners are encouraged to wear masks at Mass. However, you need to provide your own mask for hygiene reasons.

Particular care should be taken when greeting and talking to others before and after Mass. When entering the church, please keep social distancing requirements when signing in and please use the hand sanitizer that is provided.

NSW Government Public Health Public Health (COVID-19) Order

St Mary's Parish is following the restrictions that have been set out by the latest NSW Government Public Health (COVID-19) Order.

All churches are currently limited to a maximum of 100 people at a Mass.

Under the current restrictions and the "4 square metre rule" St Mary's Concord can accommodate 100.

The number of parishioners attending our Sunday Masses over the last two Sundays has been less than 100 at each Mass. However, if those attending a Mass reach 100, the doors of the church will be closed for that Mass. Physical distancing still applies

For the moment, the normal Sunday Mass program applies. There are three Sunday Masses: Saturday 6.00 pm, Sunday 9.30 am and 6.00 pm. Weekday Masses (Monday-Friday) at 8.30 am.

The church is open for private prayer on Sunday after the 9.30 am Mass until 12 noon and on Monday to Friday from 9.00 am until 12 noon.

All those entering the church must record their name and contact details (phone or email) on the forms at the church doors. It is important that anyone who is unwell remains at home.

Registration is not required but please note that once our limit is reached the church doors will be closed for that Mass.

The church is fitted with CCTV and images are recorded for the purpose of preventing crime and public safety.

All other parish events and programs remain suspended. To help you to keep in touch with the latest parish news please regularly visit this website.

REQUIREMENTS FOR ATTENDING MASS AT ST MARY'S CONCORD

Any parishioners in the high risk categories or any who are unwell are encouraged to stay home. All Catholics are still dispensed from the obligation of attending Sunday Mass.

Those who cannot attend Mass should keep Sunday holy by setting aside some time for prayer at home, reading the Scriptures of the day, or watching Mass on television or online, asking God for the graces they would normally receive in Holy Communion.

All those entering the church must record their name and contact details (phone number or email address of one adult in each family) on the forms at the church doors. Please use the hand sanitizer available at the doors.

MARY MACKILLOP *today*

NEW ENVELOPES: Tax receipts for 2019 and 2020 and new sets of envelopes for 2020-2021 are available. They can now be collected from the Parish Office. Some contributors may find they have a new number. In the coming financial year (2020-2021) the parish can provide a 50% tax deduction for contributions to the Planned Giving.

NEW PARISH HALL SERVERY: During the recent school holidays the former "kitchen" in the parish hall was refurbished to provide a new area for serving drinks and food. Extra storage spaces were also added to the hall. This project was assisted by a Federal Government grant under the Stronger Communities Programme. We appreciate the involvement of our local Federal Member for Reid, Dr Fiona Martin, who supported our application for this grant. Fiona Martin visited the parish and school on Friday 14 August.

HERITAGE SIGNS: St Mary's Parish commissioned five heritage signs to mark the sesquicentenary of the parish.

The First Church 1845

They have now been installed in the Church Forecourt and recall historical parish buildings that once existed on the parish site: the first church (1845), the second church (1874), the presbytery (1882), the first school building (1894) and the convent (1898). They have been placed close to the original locations of the buildings. It is possible to view all the signs in the Church Forecourt via the Burton Street entrance to the parish site. As well as celebrating the 150th anniversary of the founding of St Mary's Parish, this year also marks the 175th anniversary of the opening of the first church on 7 December 1845.

VACANT UNITS MONSIGNOR JOHN PEOPLES UNITS, FIVE DOCK: The units provide Self-Care accommodation close to All Hallows Church, particularly for parishioners over 55 years. Both 1 and 2 bedroom units are vacant and are available for immediate occupation. These units have recently been refurbished and contain brand new whitegoods, modern kitchens and bathrooms. Inspection of the units is invited. Enquiries : Lola Tasende, Units Manager, on 0414 491 718

PRIVATE PRAYER IN THE CHURCH: The church will be open for private prayer on Sunday after the 9.30 am Mass until 12 noon and on Monday to Friday from 9.00 am until 12 noon. All those entering the church must record their name and contact details.

SECURITY: The church is fitted with CCTV and images are recorded for the purpose of preventing crime and public safety.

GIFT OF BREAD: Due to the current COVID-19 health restrictions many of the organisations who previously supported the *Gift of Bread* outreach program are no longer able to continue their support. The calls for assistance and support from *Gift of Bread* have significantly increased over the past three

months which leaves the GOB program in need of financial assistance. The *Gift of Bread* program has created a donation page called "**Who gives a loaf? You can.**" The banner photo on the donate page is the team from St Mary's Concord in the parish hall. The program needs cash donations to keep their outreach services operational. If you can support this program, please go to: <https://www.givenow.com.au/givealoaf>

CELEBRATING AT HOME

We can be united with each other in prayer by setting aside a time when we can pause and read the Word of God and share our reflections. Many find it helpful to create a "prayer space" that helps us to focus. We can also find those places where the Mass is being televised or live streamed. For those who have access to the Internet there are many places that offer prayers and resources to help us. Those listed below are some examples.

LITURGY BRISBANE offers a range of resources that are updated each week. They can be found on the Liturgy Brisbane website at <https://www.liturgybrisbane.net.au/prepare/sunday-readings-and-family-prayer/>

SUNDAY READINGS READ AT HOME

The Brisbane Liturgy website gives the Sunday readings with associated commentaries and prayers. It is suggested that families gather to read the Scriptures aloud together.

FAMILY PRAYER WEEK BY WEEK

The second resource is designed for families with young children. An extract from the Sunday gospel is provided, along with some reflection questions, a family activity and a worksheet for children. We invite you to share these resources with anyone who may find them useful.

THE MASS Watch Mass online if you have a computer or a TV that allows you to search the Internet. There are many places now streaming the Mass.

GO TO THE WEBSITE of The Catholic Archdiocese of Sydney www.sydneycatholic.org On the Home page there is a WATCH HERE button that gives links to parishes that are live-streaming Sunday Mass and in some cases weekday Masses and other devotions.

SACRED SCRIPTURE Set aside a time each day to read the Bible by taking a book, such as one of the Gospels or the Psalms, and working your way through it together. Pause and reflect on the passage. Use *Lectio Divina* when reading a bible text – this is explained in **Universalis** (see below) and also on the Jamberoo Abbey website.

THE ROSARY is a prayer that a family can easily recite together or can be said by those living alone.

APPS and PODCASTS: For those with access to a smart phone or a computer, the following Apps and Podcasts may help families and individuals to set aside time for prayer.

The Examen is a daily reflection that aims to help us to review how God is present in the ordinary moments of life. It is done at the end of the day and is inspired by the Spiritual Exercises of St Ignatius of Loyola.

Search iTunes or other platforms for the following podcasts:

The Examen with Fr James Martin SJ

This 18 minute Podcast offers a guided reflection from the American Jesuits.

FOODBANK DONATIONS: earlier this year a bin was placed at the back of the church and parishioners regularly donated food items to assist the Jesuit Refugee Service. With the church closed except for Masses it is more difficult to donate food but we can still help.
