MIGRANT & REFUGEE SUNDAY

The theme chosen by Pope Francis for this year's 108th World Day of Migrants and Refugees 2022 is **BUILDING THE FUTURE WITH MIGRANTS AND REFUGEES**. In his message Pope Francis reflects:

"The ultimate meaning of our "journey" in this world is the search for our true homeland, the Kingdom of God inaugurated by Jesus Christ, which will find its full realization when he comes in glory. His Kingdom has not yet been brought to fulfilment, though it is already present in those who have accepted the salvation he offers us.....

No one must be excluded. God's plan is essentially inclusive and gives priority to those living on the existential peripheries. Among them are many migrants and refugees, displaced persons, and victims of trafficking. The Kingdom of God is to be built with them, for without them it would not be the

Kingdom that God wants."

SOCIAL JUSTICE: This year's Social Justice Statement, *Respect: Confronting Violence and Abuse*, invites us to engage with a complex and confronting social reality. It explores the roots of violence and abuse, honours the voices of victims, offers a social and theological exploration of the reality of violence, especially against women and children, and invites us to develop relationships in all parts of our lives 'marked by equality and reciprocity rather than domination and violence, respect and freedom rather than coercion and control.'

We welcome this urgent call from our Church to deepen our faith through full and frank discussion and dialogue, advocacy and action.

If the content of the Statement raises issues or concerns for you, please refer to the Getting Help page

in the Statement for a list of support channels, or speak to a trusted friend, your GP, your parish priest or parish pastoral worker.

HOW DO I BECOME A CATHOLIC? Adults who have not been baptized and wish to become part of the community of the Catholic Church receive the Sacraments of Christian Initiation (Baptism, Confirmation and Eucharist) in the *Rite of Christian Initiation of Adults* (RCIA).

The RCIA presumes that there is an extended period of formation and preparation, usually leading to the celebration of Baptism at Easter.

Baptised members of other Christian Churches who wish to become members of the Catholic Church do so through *Reception into Full Communion*.

If you are interested, or if you know of someone who may be interested in becoming a Catholic, please contact Fr Paul or the Parish Office tel 9747 4210.

The Season of Creation

The Burning Bush
Ex 3:1-12

Listen to the
Voice of creation
SEASON OF CREATION 2022

The theme for 2022, *Listen to the Voice of Creation*, reminds us of the voices of those who suffer the impacts of climate change. These are voices of people who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of a diminishing diversity of more-than-human species. **It is the voice of the Earth.**

The *Season of Creation*, originally launched by the Orthodox Patriarch of Constantinople in 1989, has been progressively joined by other Christian churches, with Pope Francis announcing the Roman Catholic Church's participation in 2016.

The *Season of Creation* is a time to renew our relationship with our Creator and all creation through repenting, repairing, and rejoicing together. During the *Season of Creation*, we join our sisters and brothers in the ecumenical family in prayer and action for our common home.

This year, amid the natural disasters and crises that have shaken the world, we're awakened to the urgent

need to heal our relationships with creation and each other. During the *Season of Creation*, we enter a time of restoration and hope, a jubilee for our Earth, that requires radically new ways of living with creation.

The *Season of Creation* unites the world's 2.2 billion Christians around one shared purpose. With so much injustice all around us, now is the time for Christians everywhere to come together and show the world how to love each other and creation.

St Mary's Church Concord

The painting of the Blessed Virgin Mary that is the dominant image of Mary in the church is a copy of *The Immaculate Virgin of Los Venerables* painted by the Spanish artist Bartolome Esteban Murillo (1618-1682) in about 1678.

It is believed that the original painting was commissioned from Bartolomé Esteban Murillo by Justino de Neve, who was ecclesiastical president of the *Hospital de los Venerables* in Seville. He later donated it to the chapel at the hospital. The original painting is now in the Prado Museum in Madrid

The title of *Immaculate Virgin* reflects the belief that Mary was without sin from the first moment of her being. Although it was only officially declared a dogma of the Church in 1854, belief in the Immaculate Conception of Mary had been a popular devotion in Spain since the 16th century.

In this painting Murillo combined two different iconographic traditions: the Immaculate Conception and the Assumption. Although the Assumption of Mary was only declared to be a dogma in 1950, it too had been a popular devotion for many centuries.

The parish's copy was cleaned and restored in February 2020 to mark the Sesqicentenary of the founding of St Mary's Parish (1870-2020).

HERITAGE SIGNS: In 2020 St Mary's Parish commissioned five heritage signs to mark the sesquicentenary of the parish. They recall historical parish buildings that once existed on the parish site: the first church (1845), the second church (1874), the presbytery (1882), the first school building (1894) and the convent (1898). The signs have been placed close to the original locations of the buildings.

St Mary's School Concord

The 1845 church also served as a hall and from 1846 as a classroom for a one-teacher school with John Clancy as the first schoolmaster.

When John Clancy retired due to ill health in 1858, he was followed by a series of lay teachers. Records are unclear about the school's operation in the 1860s but when St Mary's Parish was established in 1870, the existing one-teacher school became part of St Mary's Parish.

When the New South Wales Colonial Government withdrew funding for denominational schools in 1879, it became more difficult for the parish to pay the salary of the teacher and to maintain the school.

Fr Callaghan McCarthy, the first parish priest, asked the Sisters of Charity to take charge of the school and in 1883 the Sisters began travelling each day from Ashfield to teach in the school-hall.

The First School Building 1894

The photo was taken 1917 as the hall was under construction (on the left).

The first school building was erected on the parish site in 1894. It stood on the western side of the present Church Forecourt on what is now the "grass" area within the school precinct. The foundation stone laid by Cardinal Moran on 2 December 1894 can now be seen on the western side of the church steps. St Mary's School continued to grow and expand.

In 1917 a new hall was built with classrooms above and after the present church opened in 1929, the second church built in 1874 was used for classes.

In 1940 a new infants' school building was built facing Burton Street and in 1956 a Commercial College for girls was built on the site of the second church.

When more classrooms were needed in the 1970s, the first school building that had opened in 1894 was demolished to make way for a new block of classrooms which was blessed and opened by Archbishop James Freeman on 3 September 1972.

The 1972 block after the 2000-2001 renovations.

It was demolished in 2011

Kindergarten moved into the new classrooms until almost forty years later when, in 2011, another new classroom block was built for Kindergarten along the Parramatta Road boundary of the school precinct. That project also enabled the 1972 classrooms to be demolished to create the present "grass" area.

SIERRA LEONE SUPPORT

In early 2003 the Parish Pastoral Council received a request from Br John Hay cfc, who asked if St Mary's Parish Concord would consider offering some support to Sacred Heart Parish Serabu in Sierra Leone, West Africa. John had previously worked in Serabu.

In 2003 Sierra Leone was still recovering from a decade long civil war that had started in 1991. The

conflict had destroyed much of the local infrastructure including churches and schools.

The Parish Pastoral Council and the Parish Finance Committee supported the request. Every year since 2003 St Mary's Parish has sent a significant donation to the parish community in Serabu. Our support has enabled that community to repair their church, school and parish house. A clinic to assist the sick has also been established. In more recent years our parish donation has enabled the Sacred Heart Parish to provide support for children who otherwise could not attend school.

Within our parish community individuals and families continue to support *Caritas Australia* through Project Compassion and support the work of *Catholic Mission*.

However, it is also appropriate that we as a parish community continue to share our blessings with the parish community of Sacred Heart, Serabu.
