## JESUIT REFUGEE SERVICE FOODBANK

The JRS continues to support those seeking asylum and temporary migrants in Australia, as they remain excluded from all forms of Federal government support. This has meant that people who were once working and self-sufficient have had to rely on charities, like JRS, for rent, medication, bills and food. To help keep everyone fed, we are asking those who can to donate one item a week (1 or 2 Kg bags of Basmati Rice, Tuna in oil, Cooking Oil (750ml/1L/2L bottles), tinned tomatoes, tinned lentils, chickpeas, red kidney beans, pasta (spaghetti, penne, spiral) but please not tinned spaghetti. Donations can be placed in the blue bin on the table at the back of the church.

**SOCIAL JUSTICE:** This year's Social Justice Statement, *Respect: Confronting Violence and Abuse*, invites us to engage with a complex and confronting social reality. It explores the roots of violence and abuse, honours the voices of victims, offers a social and theological exploration of the reality of violence, especially against women and children, and invites us to develop relationships in all parts of our lives 'marked by equality and reciprocity rather than domination and violence, respect and freedom rather than coercion and control.'

We welcome this urgent call from our Church to deepen our faith through full and frank discussion and dialogue, advocacy and action.

If the content of the Statement raises issues or concerns for you, please refer to the Getting Help page in the Statement for a list of support channels, or speak to a trusted friend, your GP, your parish priest or parish pastoral worker.

**HERITAGE SIGNS:** St Mary's Parish commissioned five heritage signs to mark the sesquicentenary of the parish in 2020.

### *The First Church 1845*

They are located in the Church Forecourt and recall the historical parish buildings that once existed on the parish site: the first church (1845), the second church (1874), the presbytery (1882), the first school building (1894) and the convent (1898). Each sign has been placed close to the original location of that building.

Prior to European settlement, the Burwood-Concord district was occupied by the Wangal clan. They called themselves the Eora, meaning 'the people' and they had been living in the Sydney area for at least 10,000 years.

The British colony of New South Wales was established in January 1788 with the arrival of the First Fleet. In late 1788 a small settlement was established at Parramatta and by 1791 a bush track had been built between Sydney and Parramatta that became what is now Parramatta Road. In 1793 some free settlers received grants in the area then named Liberty Plains. In that same year, land grants were made to six non-commissioned officers in the district that came to be known as Concord.

**HOW DO I BECOME A CATHOLIC?** Adults who have not been baptized and wish to become part of the community of the Catholic Church receive the Sacraments of Christian Initiation (Baptism, Confirmation and Eucharist) in the *Rite of Christian Initiation of Adults* (RCIA).

The RCIA presumes that there is an extended period of formation and preparation, usually leading to the celebration of Baptism at Easter.

Baptised members of other Christian Churches who wish to become members of the Catholic Church do so through *Reception into Full Communion*.

If you are interested, or if you know of someone who may be interested in becoming a Catholic, please contact Fr Paul or the Parish Office tel 9747 4210.

### LIVE STREAMING FROM ST MARY'S

We began live streaming the parish 9.30 am Mass in December 2020. When we were locked-down from June to October 2021, the live streamed Mass provided a valuable link for our parish community.

The 9.30 am Sunday Mass is live streamed to on the parish Facebook page (St Marys Parish Church Concord) and to the parish YouTube channel.

The QR Code will take you directly to the Donation Page on our parish website. If you select the default option (Sunday collections) your donation will automatically be split between the normal parish 1<sup>st</sup> and 2<sup>nd</sup> collections.

## St Mary's Church Concord

The painting of the Blessed Virgin Mary that is the dominant image of Mary in the church is a copy of *The Immaculate Virgin of Los Venerables* painted by the Spanish artist Bartolome Esteban Murillo (1618-1682) in about 1678.

It is believed that the original painting was commissioned from Bartolomé Esteban Murillo by Justino de Neve, who was ecclesiastical president of the *Hospital de los Venerables* in Seville. He later donated it to the chapel at the hospital. The original painting is now in the Prado Museum in Madrid

The title of *Immaculate Virgin* reflects the belief that Mary was without sin from the first moment of her being. Although it was only officially declared a dogma of the Church in 1854, belief in the Immaculate Conception of Mary had been a popular devotion in Spain since the 16th century.

In this painting Murillo combined two different iconographic traditions: the Immaculate Conception and the Assumption. Although the Assumption of Mary was only declared to be a dogma in 1950, it too had been a popular devotion for many centuries.
