PRAYER INTENTIONS

We pray for those who continue to suffer because of war and violent conflicts, especially for the people of Ukraine and of Myanmar (Burma).

We pray for communities in many places who are still affected by floods and other natural disasters.

We pray for those who are sick, especially those who have no one to care for them.

We pray for Pope Benedict, Francesco Megale, and all those who have died recently; we pray for Joseph Sackar and all those whose anniversaries occur about this time, and for all our deceased family members and friends.

COVID HEALTH GUIDELINES:

The COVID virus is still spreading in the community. **Wearing a mask in indoor public spaces helps protect everyone** in our community and especially those who are at higher risk of severe illness from COVID-19 and flu.

THE CHRISTMAS SEASON

In the Church's calendar the Christmas season begins on Christmas Eve with the Vigil Mass and continues until the feast of the Baptism of the Lord which this year is celebrated on Monday 9 January.

Traditionally the feast of the Epiphany is celebrated on 6 January, the twelfth day of Christmas. In many countries, including Australia, the feast is transferred to the Sunday closest to 6 January. This year we celebrate the Epiphany of the Lord on Sunday 8 January.

The word **Epiphany** comes from the Greek word for "manifestation". In the western Church, the feast became associated with the manifestation of Jesus to the non-Jewish peoples through the visit of the Magi. Each year we read the account of the coming of the Magi which is only found in Matthew's Gospel.

The Epiphany was celebrated in Alexandria in the early third century to celebrate the Baptism of Jesus. It then also became a feast of Christ's birth.

From the fourth century the Church in Rome began to celebrate the Nativity of Jesus on 25 December but also celebrated the Epiphany with a focus on the coming of the Magi.

In both the East and West, the Epiphany was a celebration of the revelation of God's eternal plan of salvation in Christ manifested as "the light to enlighten all nations".

In the East the Epiphany also celebrated the Baptism of Jesus and as well as the account in John's Gospel of the miracle at the marriage feast in Cana.

In the Western Church a separate feast of the Baptism of Jesus was celebrated on the octave of the Epiphany.

When the calendar was revised in 1969 the Baptism of Jesus became the conclusion of the Christmas season.

As Jesus came to reveal God's love for all peoples so we too are called to bring a message of peace and good-will to all the nations. That is an invitation to work with men and women of every race, religion and culture to bring peace to the world.

ST MARY'S CONCORD 2023 LOOKING TO THE FUTURE

As we begin a new year, it is always important to pause and to give thanks for the blessings we have shared. In the past, I have often included a review of the year on the Sunday after Christmas. However, with Christmas falling on a Sunday in 2022, that message was included in the Parish Bulletin on Sunday 18 December. For those who may not have seen it, the bulletin can still be viewed on the parish website under the "Publications" tab.

While not repeating the whole message here, I want to reaffirm once again our thanks to all healthcare workers for their extraordinary dedication to caring for those with COVID in hospital or in Aged Care.

Special thanks to all the staff of St Mary's Villa who have cared for the residents in the face of constant COVID lockdowns throughout 2022. An important challenge facing the parish community in 2023 will be planning for the future of St Mary's Villa.

As I noted last November (27 Nov 2022 bulletin), it has become clear that smaller stand-alone residential aged care facilities, like St Mary's Villa, will need significant additional support if they are to meet the administrative demands created by changes to Commonwealth Government regulations.

A review of the needs of St Mary's Villa has concluded that the best way to secure its long-term future is for the Villa to become part of a larger Catholic Aged Care group. No decision has yet been made but that change will have significant implications for the parish.

An important part of the parish's long-term strategic plan has been the building of a new Parish Centre to replace the existing parish office. In November 2020 the parish was able to purchase the property at 6 Broughton Street (the corner of Burton and Broughton Streets).

With the support of the Parish Finance Committee and the Parish Pastoral Council, plans are now being prepared for a new Parish Centre that will also serve as the Parish Office. It is hoped that the project will begin by the middle of 2023.

As we begin a new year, we face many challenges. We need to rebuild the various parish ministry teams: those who support the community at Sunday Masses and those who extend the Mission of the parish into the wider community.

We particularly need volunteers to serve as Communion Ministers to the Sick, as Catechists and as members of the Parish Pastoral Council.

This month will also mark the 30th anniversary of my appointments as Parish Priest of St Mary's Concord. My thanks to all in the parish community; without you there would be no St Mary's Parish. I thank you sincerely for your support and wish you every blessing for the New Year.

CLIMATE CHANGE: World leaders gathered in Canada in December 2022 for COP 15, the United Nations Conference of the Parties on biodiversity. In his Message for the **2022 World Day of Prayer for Care of Creation**, Pope Francis urged world leaders to commit to ambitious plans at the COP 27 to achieve the goal of keeping global temperature rise to 1.5 degrees Celsius. He also urged leaders gathering at the COP 15 to make new multilateral agreements to halt the alarming increases in destruction of ecosystems and extinction of species.

Pope Francis reminds us that the Gospel calls us to repentance, to a new relationship with God and a different relationship with others and with all of creation. This conversion of heart will lead us to take action personally, but also communally to care for our common home.

These two meetings present another opportunity for world leaders to agree on actions which will address the twin crises of climate change and loss of biodiversity.

They also present us with an opportunity as people of faith to join with others in calling for effective action to deal with these immense ecological crises.

The Australian Catholic Bishops Office for Justice, Ecology and Peace has produced a new **Information Sheet on COP 27 & COP 15**.

HOW DO I BECOME A CATHOLIC? Adults who have not been baptized and wish to become part of the community of the Catholic Church receive the Sacraments of Christian Initiation (Baptism, Confirmation and Eucharist) in the **Rite of Christian Initiation of Adults** (RCIA).

The RCIA presumes that there is an extended period of formation and preparation, usually leading to the celebration of Baptism at Easter.

Baptised members of other Christian Churches who wish to become members of the Catholic Church do so through **Reception into Full Communion**.

If you are interested, or if you know of someone who may be interested in becoming a Catholic, please contact Fr Paul or the Parish Office tel 9747 4210 or email parish@stmarysconcord.org.au.

SOCIAL JUSTICE: The 2022 Social Justice Statement, ***Respect: Confronting Violence and Abuse***, invites us to engage with a complex and confronting social reality. It explores the roots of violence and abuse, honours the voices of victims, offers a social and theological exploration of the reality of violence, especially against women and children, and invites us to develop relationships in all parts of our lives 'marked by equality and reciprocity rather than domination and violence, respect and freedom rather than coercion and control.'

If the content of the Statement raises issues or concerns for you, please refer to the Getting Help page in the Statement for a list of support channels, or speak to a trusted friend, your GP, your parish priest or parish pastoral worker.

JESUIT REFUGEE SERVICE FOODBANK

The JRS continues to support those seeking asylum and temporary migrants in Australia, as they remain excluded from all forms of Federal government support. This has meant that people who were once working and self-sufficient have had to rely on charities, like JRS, for rent, medication, bills and food. To help keep everyone fed, we are asking those who can to donate one item a week (1 or 2 Kg bags of Basmati Rice, Tuna in oil, Cooking Oil (750ml/1L/2L bottles), tinned tomatoes, tinned lentils, chickpeas, red kidney beans, pasta (spaghetti, penne, spiral) but please not tinned spaghetti. Donations can be placed in the blue bin on the table at the back of the church.

Help with Alcoholism and Addiction

Do you, a family member, or friend need help with an addiction concern? You can reach out to the **Calix Society**. Calix is an association of Catholic alcoholics, drug addicts, and family members and friends affected by addiction, who are maintaining their sobriety through participation in their Catholic faith and a 12 Step program. We welcome anyone concerned with the illness of alcoholism or addiction who wish to join with us in prayer for *the virtue of total abstinence, promoting our spiritual development, and striving for the sanctification of the whole personality of each member*. Contact calixsydney@outlook.com for meeting times and resources. Perhaps this could be a crucial step toward recovery and saving a life.

HERITAGE SIGNS: St Mary's Parish commissioned five heritage signs to mark the sesquicentenary of the parish in 2020.

The signs are located in the Church Forecourt and recall the historical parish buildings that once existed on the parish site: the first church (1845), the second church (1874), the presbytery (1882), the first school building (1894) and the convent (1898). Each sign has been placed close to the original location of that building.

The Presbytery c 2003

When Father McCarthy was appointed parish priest in 1870, he lived in a cottage on the Burwood side of Parramatta Road until the Presbytery (the priest's residence) was built in 1882. It stood on the northern side of the 1874 church facing Burton Street.

The original building was extended several times as the needs of the parish changed. As well as providing a residence for the priests, it also served as the office for the parish until 1994 when the Parish Office was relocated to a cottage at 4 Ada Street.

The Presbytery continued to be the residence for the priests of the parish until 2002. As part of the strategic plan for the development of the parish site, in 2002 the residence for the parish priest was relocated to a cottage at 6 Ada Street that the parish had purchased in 1995.

In 2008 the Presbytery, the Convent and the 1950s school building were all demolished to make way for the new St Mary's Villa.

St Mary's Church Concord

The painting of the Blessed Virgin Mary that is the dominant image of Mary in the church is a copy of *The Immaculate Virgin of Los Venerables* painted by the Spanish artist Bartolome Esteban Murillo (1618-1682) in about 1678.

It is believed that the original painting was commissioned from Bartolomé Esteban Murillo by Justino de Neve, who was ecclesiastical president of the *Hospital de los Venerables* in Seville. He later donated it to the chapel at the hospital. The original painting is now in the Prado Museum in Madrid

The title of *Immaculate Virgin* reflects the belief that Mary was without sin from the first moment of her being. Although it was only officially declared a dogma of the Church in 1854, belief in the Immaculate Conception of Mary had been a popular devotion in Spain since the 16th century.

In this painting Murillo combined two different iconographic traditions: the Immaculate Conception and the Assumption. Although the Assumption of Mary was only declared to be a dogma in 1950, it too had been a popular devotion for many centuries
